

For employees who use employee ID for login

We currently have a survey ongoing that we would greatly appreciate your participation in. You can easily access the survey by scanning the QR code using the camera on your smartphone or a QR code scanning app.

3 simple steps

1. Scan the QR code below with your smartphone.
2. Enter your name and your employee ID.
3. Answer the survey.

Your feedback is important to us

Your response provides us with the opportunity to assess risks and challenges in the workplace and find solutions to any issues.

We thank you in advance for your time and effort. If you have any questions or need further information, please feel free to contact your supervisor or HR department.

Kind regards
Woba
